

HOME

The Company

Front page must clearly define Pacific Pipe Co. and let users know their core values

What's New

To avoid stagnation, it's always good to put updated content front and center: news, calendar, etc.

Calls to Action

What do we want people to do on the website? Give them some clear actions to take

SEARCH for ANYTHING

Keyword Search

Search for any name, date, product category - anything on the website.

Results Page

Results of search listed new to older, most to least relevant
